*PATTERN REPEATS, JOINED WIDTHS AND PATTERN ALIGNMENT

Pattern repeats and widths are approximate and are not exact and can vary by $\pm 5\%$. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result.

Tactiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted. Please check the pattern alignment is acceptable before cutting and making. We do not accept claims after the goods have been cut or sewn.

COLOUR VARIANCE

Slight colour variances may occur between batches.
