Indienne Collection

Inspired by the timeless art of block printing, the Indienne collection is a range of seven designs printed on a soft cotton/linen, perfectly suited for soft furnishings and upholstery.

Discover decorative elements and hand-drawn floral motifs, in a warm, earthy colour palette inspired by the natural pigments and mineral dyes traditionally used in block printing. Shades of Indigo, Sienna, Oregano and Thyme create a unique palette that celebrates the rich cultural heritage.

Suriane, a delicate floral stripe, teams beautifully with printed herringbone, Varella, which is presented in eight contemporary colours.

Celina, a charming small-scale diamond pattern makes a perfect co-ordinate when paired with Mirabeau, a bold, botanical silhouette stripe design. With an artisanal feel, each design has been created to capture the essence of traditional craftsmanship.

Pattern repeats and widths are not exact and can vary by ±5%. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted. Please check the pattern alignment is acceptable before cutting and making. We do not accept claims after the goods have been cut or sewn.
