

The background of the cover is a dense, vertical striped pattern. The stripes are in three shades: a deep forest green, a muted sage green, and a light cream or off-white. The pattern is consistent across the entire surface. A solid, medium-green rectangular box is centered on the cover, serving as a backdrop for the title and subtitle.

Monterey Collection

Contemporary and relaxed, Monterey collection showcases 6 different, on trend woven cotton-blend stripes. The collection combines stripes in varying scales, colours, and textures.

These tactile fabrics are suitable for all applications around the home, from curtains and blinds through to severe contract usage and are ideal for both contemporary and traditional schemes.

Each design within the collection is unique and has been designed to work in harmony together. Positano has been cleverly woven to emulate an embroidered look, which sits beautifully alongside Venice, a modern take on a classic pinstripe design. Marseilles stripe features a subtle herringbone texture, and when paired with Hampton, a sophisticated stripe with a twill effect, adds depth and texture to your home.

*PATTERN REPEATS, JOINED WIDTHS AND PATTERN ALIGNMENT

Pattern repeats and widths are not exact and can vary by $\pm 5\%$. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted. Please check the pattern alignment is acceptable before cutting and making. We do not accept claims after the goods have been cut or sewn.

COLOUR VARIANCE

Slight colour variances may occur between batches.
