Ophelia Collection

The Ophelia Collection, inspired by the natural world, evokes a sense of ethereal charm, featuring a harmonious blend of delicate embroideries, printed jacquards and sophisticated woven textures.

Capturing the essence of nature's ever-changing seasons this collection is coloured in a pallet of the earthy shades of autumn, serene blues of the winter skies through to the lush greens of summer.

Wander through nature with Arundel, a picturesque, printed jacquard, that depicts an enchanting forest, with a subtle sheen, reminiscent of nature's light filtering through the trees. Add further charm with Aurora, a delicately embroidered botanical design, printed on a whimsical dandelion design.

Pattern repeats and widths are not exact and can vary by $\pm 5\%$. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted. Please check the pattern alignment is acceptable before cutting and making. We do not accept claims after the goods have been cut or sewn.
