Sirente Collection

Create an impact with the Sirente collection, a range of recycled jacquards with a subtle sheen and elegant drape. Textured semi-plain, Maria, and tactile jacquards, Pescara and Valloni, capture the feeling of modern sophistication. Create an impressive space with palm tree design, Mandrelle, or add further sophistication with Fino, a timeless stripe.

The six designs are offered in five colour palettes including Spruce, Indigo and Slate, complemented by recycled plain, Austen. These fabrics perfectly capture the essence of refined interiors, bringing elegance to any space.

*PATTERN REPEATS, JOINED WIDTHS AND PATTERN ALIGNMENT

Pattern repeats and widths are not exact and can vary by ±5%. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. While every effort is made to avoid distortion, a tolerance is allowed to be accepted. Please check the pattern alignment is acceptable before cutting and making. We do not accept claims after the goods have been cut or sewn.

COLOUR VARIANCE

Due to the nature of the recycled yarns we may experience large colour variance between batches.
