LES EDITIONS EXCLUSIVES_

‘Imaginées et dessinées au gré de mes inspirations, les trois collections, ‘Blanche’, ‘Traces’, ‘Les Eléments’ ont été réalisées au point noué à la main dans des matières chatoyantes et durables. Leur histoire est étroitement liée à la nature qui nous entoure, omniprésente, cette nature qui m’émue et me traverse par tant de beauté...

Sauvage et précieuse dans ‘Blanche’
Reliée, dansante, changeante dans ‘Traces’
Éclatante et vibrante dans ‘Les Eléments’

Belle découverte!’

‘Imagined and designed according to my inspirations, the three collections, ‘Blanche’, ‘Traces’, ‘Les Eléments’ are made with hand-knotted stitches in bright and durable materials; their story is closely linked to nature, which surrounds us, omnipresent, this nature which touches me and crosses me by so much beauty...

*Wild and precious in ‘Blanche’
In relief, dancing, changing in ‘Traces’

COLLECTION_ LES ELEMENTS

L'éclat des coloris chaleureux de la soie en relief donne l'illusion d'une flamme qui jaillit, tel un feu d'artifice ; entre ombre et lumière, une impulsion se crée; une belle énergie se dégage...

The brightness of the warm colours of the silk in relief gives the illusion of a flame which springs up, like a firework; between shadow and light, an impulse is created; a beautiful energy is released...
