MOSAIC

A symphony of ikat, tribal and geometric artistry

MOSAIC

Mosaic collection brings together the spirit of tradition and the finesse of modern design. Celebrating the beauty of pattern and texture, it transforms ikat, tribal, and geometric inspirations into a collection of exquisitely crafted fabrics. From soft embroideries to intricate jacquards and bold prints, each piece in the Mosaic introduces artful elegance to draperies, upholstery, and accent elements. Rich in texture and detail, Mosaic becomes a signature expression of depth, movement, and sophisticated style in contemporary interiors.

MJ Tessuti

MOSAIC

Inspired by the art of mosaics, this embroidered polyester-linen fabric features geometric shapes brought to life with matte, shiny and lurex threads. Available in three curated palettes – neutrals, marble greys and vibrant greens, it adds subtle depth and texture to any interior space.

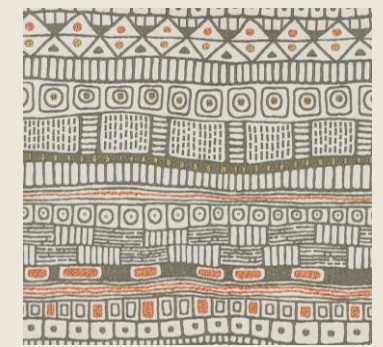

Composition	92% Polyester, 6% Linen, 2% Lurex
Vertical Repeat	18.5 cm
Horizontal Repeat	31.5 cm
Width	+/- 125 cm
Suitability	 

HERITAGE THREADS

Drawing inspiration from tribal geometric artistry, this jacquard woven fabric reflects age-old weaving traditions while offering a modern edge. With its textured depth and cultural character, Heritage Threads enriches interiors with a timeless sense of authenticity.

Composition	67% Polyester, 33% Cotton

65 cm

Horizontal Repeat

47.5 cm

Width

+/- 142 cm

Suitability

LOOM CRAFT

Inspired by the artistry of handwoven textiles, this printed fabric transforms the precision and rhythm of traditional weaving into contemporary geometric patterns.

Composition	58% Cotton, 30% Linen, 12% Viscose
Vertical Repeat	24.5 cm
Horizontal Repeat	26.5 cm
Width	+/- 145 cm
Suitability	  

ELITE

True to its name, Elite is a jacquard woven fabric that carries the poise, craftsmanship and enduring charm of Ikat-inspired patterns. With every thread, it reflects a balance of heritage and modern sophistication.

Composition	29% Polyester, 31% Cotton, 40% Viscose
Vertical Repeat	59 cm
Horizontal Repeat	47 cm
Width	+/- 142 cm
Suitability	 

OGEE

Ogee is a jacquard woven fabric that beautifully captures the flowing elegance of Ikat within the classic ogee pattern. Its layered textures and gentle curves create a sense of depth and movement in every weave.

Composition	48% Polyester, 18% Viscose, 6% Lurex, 28% Cotton		
Vertical Repeat	55 cm		
Horizontal Repeat	46.5 cm		
Width	+/- 140 cm		
Suitability	  		

VERVE

Verve is a jacquard woven striped fabric that captures the fluid energy of ink in motion. Its abstract patterns evokes creativity, movement and a vibrant sense of artistic spirit.

Composition	79% Polyester, 12% Linen, 9% Cotton
Vertical Repeat	69 cm
Horizontal Repeat	68 cm
Width	+/- 140 cm
Suitability	 

MARINE TAPESTRY

Marine Tapestry captures the mesmerizing beauty of the ocean in fabric form. Intricate embroidery floats over a printed underwater landscape, turning the textile into a visual story of the sea.

Composition	96% Polyester, 4% Cotton
Vertical Repeat	58.5 cm
Horizontal Repeat	66 cm
Width	+/- 138 cm
Suitability	 

HEXA

Inspired by the geometric elegance of tribal ikat design, Hexa transforms elongated hexagons into a striking, stripe-like pattern. Its luxurious embroidery and luminous texture make it ideal for statement draperies or accent pillows, bringing subtle refinement and sophistication to any contemporary space.

Composition	48% Linen, 52% Cotton
Vertical Repeat	39 cm
Horizontal Repeat	43.50 cm
Width	+/- 130 cm
Suitability	  

JAWHAR

Jawhar is a woven tribute to the ancient Arabic Sadu weavers. Available in three vibrant, modern colorways, its horizontal bands of geometric patterns capture the rhythm and artistry of the traditional craft. With meticulous detailing and luxurious texture, it enhances sofas or accent cushions, infusing interiors with heritage-inspired sophistication.

Composition	100% Cotton
Vertical Repeat	5 cm
Horizontal Repeat	36 cm
Width	+/- 140 cm
Suitability
