Oshibana Collection

The Oshibana collection, meaning the Japanese art of pressing flowers, is designed to elevate any interior with a harmonious blend of nature inspired motifs, luxurious textures, intricate embroideries and sumptuous velvets. Each fabric in this collection embodies refined sophistication.

Delicate petals and lush foliage come to life through detailed embroidery, Niwa, creating a striking curtain fabric, offered in five colourways. The blend of different stitch techniques, adds depth and dimension to the design, infusing the fabric with a sense of movement and visual interest.

Ishi, an abstract geometric velvet, suitable for upholstery, is irresistibly soft, enveloping you into a cocoon of luxury, and inviting you to relax in style and comfort.

Suitable for severe contract use, Kusa, is a beautiful textured embroidery on a chenille jacquard. With a subtle use of metallic yarn, Kusa offers an opulent option with its elegant sheen. Linen blend jacquard, Shida, features a fern motif on a textured ground, perfect for upholstery and with a stunning drape, ideal for curtains. Or, elevate your interior with trailing leaf design, Kamerika, a beautiful embroidery with an ombre effect.

Each colour palette has been chosen to evoke a specific mood and ambiance, from the rich depths of midnight blue to the soothing hues of soft olive and vintage pink, that can be paired perfectly with our versatile velvet, Savona. The Oshibana collection presents a carefully curated selection of fabrics designed to work cohesively together in one space.

*PATTERN REPEATS, JOINED WIDTHS AND PATTERN ALIGNMENT

Pattern repeats and widths are not exact and can vary by ±5%. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted. Please check the pattern alignment is acceptable before cutting and making. We do not accept claims after the goods have been cut or sewn.
